Family Day
October 3, 2015

A Special Invitation from the President

August 2015

Dear Parents,

It is with great excitement that I extend this invitation to Family Day at Franklin Pierce University's Rindge campus on Saturday, October 3, 2015.

A Franklin Pierce University education is a tremendous investment by our students and you, the families who support them in multiple ways. I am grateful for your confidence in the University and take pride in our faculty, staff, programs, facilities, and the promise a Pierce education holds. For over 50 years Franklin Pierce University has been educating Leaders of Conscience and been a partner in the communities in which we have campuses and in those where our alumni and employees live. Family Day is a long-standing tradition, and one in which many members of the Franklin Pierce community come together to share our commonly held appreciation for the University.

Should you have any questions about the program or logistics for Family Day, please contact Nancy Williams in the Office of Student Affairs at (603) 899-4177 or by email at williamsn@franklinpierce.edu.

Please visit the Franklin Pierce homepage at www.franklinpierce.edu to read about upcoming programs and interesting developments around the University.

Looking forward to your visit on October 3.

Best regards,
