From an education that matters to a career that matters.

Resources for the College of Graduate & Professional Studies:

The Lloyd & Helen Ament Astmann ’69 Career Center offers a variety of services to assist CGPS students and alumni in all phases of their career decision making and job search. Individual support is available via phone, email or Skype and the office has developed a variety of web based resources to support career exploration and job search preparation.

Resources include:
- Career counseling and coaching
- An on-line job board and Facebook page
- Web based resources on resumes, cover letters, job searching, interviewing, and graduate schools
- Resume and cover letter reviews and critiques
- Participation in the annual NHCUC Job Fair
- Alumni Linkedin networking groups.

Assistance is available with:
- Researching careers and job market trends
- Setting career goals
- Writing resumes and cover letters
- Identifying appropriate job search resources
- Preparing for interviews
- Negotiating salary and benefits
- Creating a positive online presence in your job search.
