Your Pierce Perspective

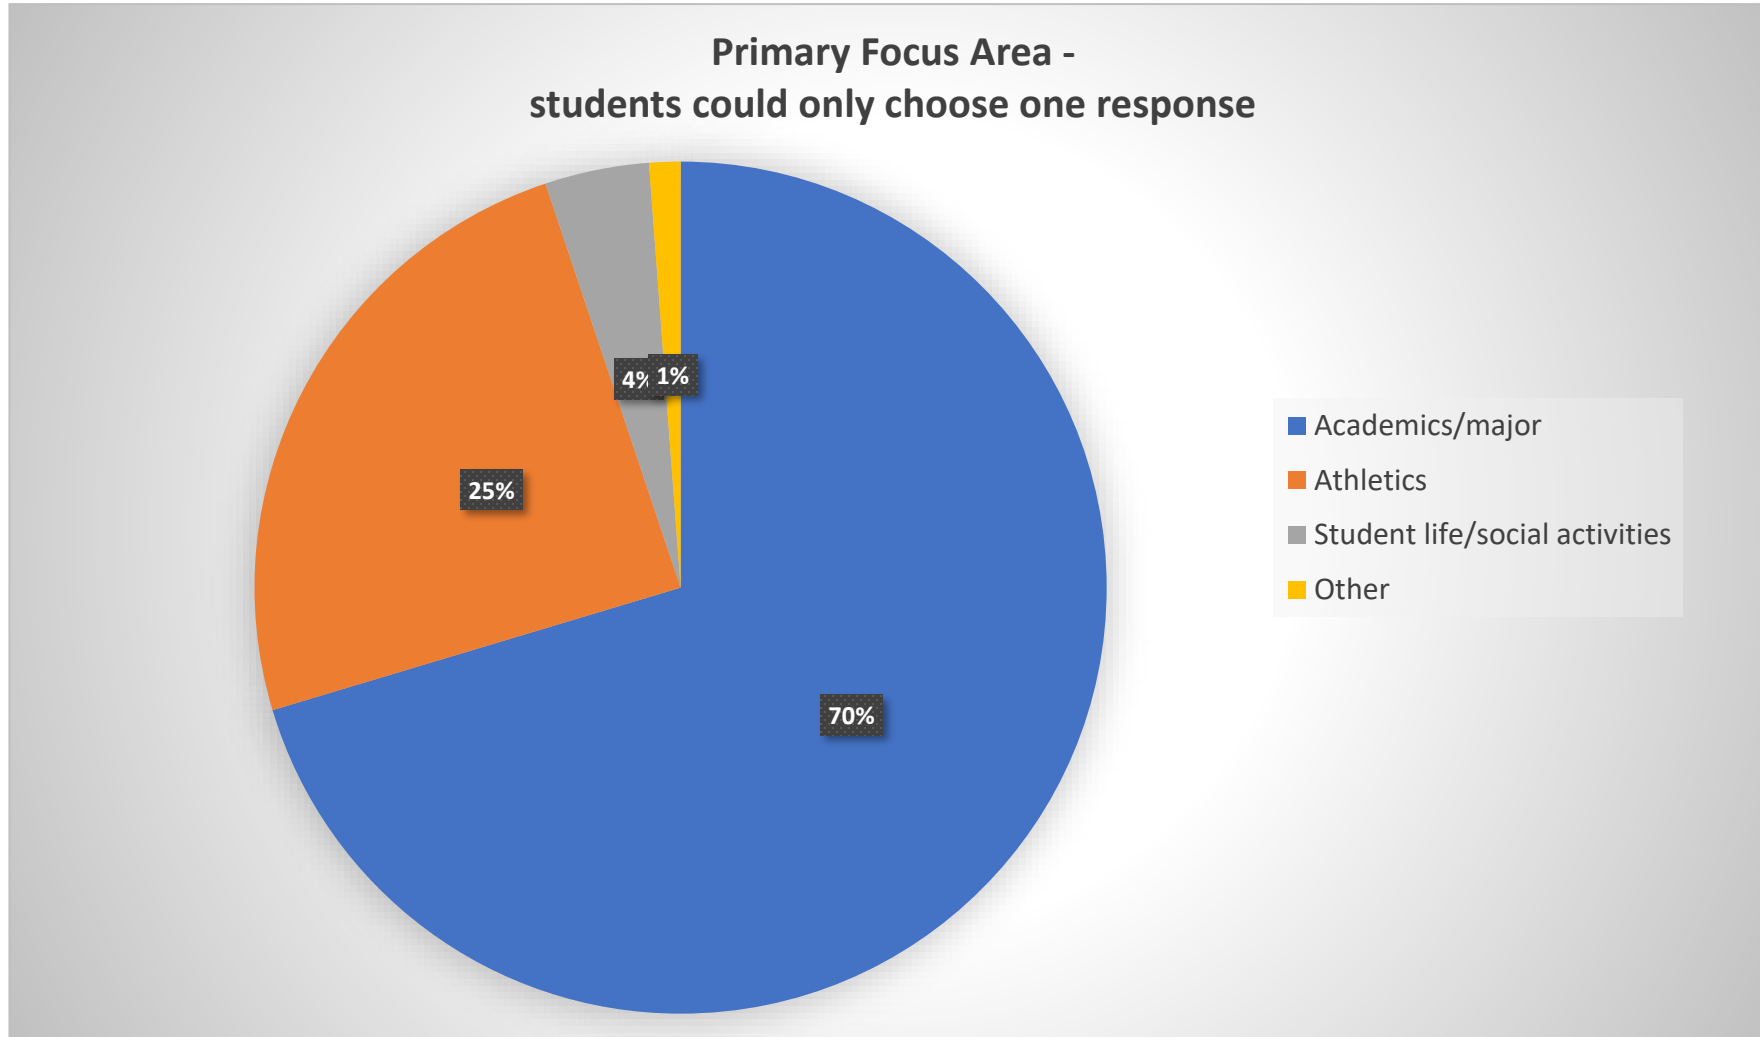

Fall 2024

Rindge Student Survey

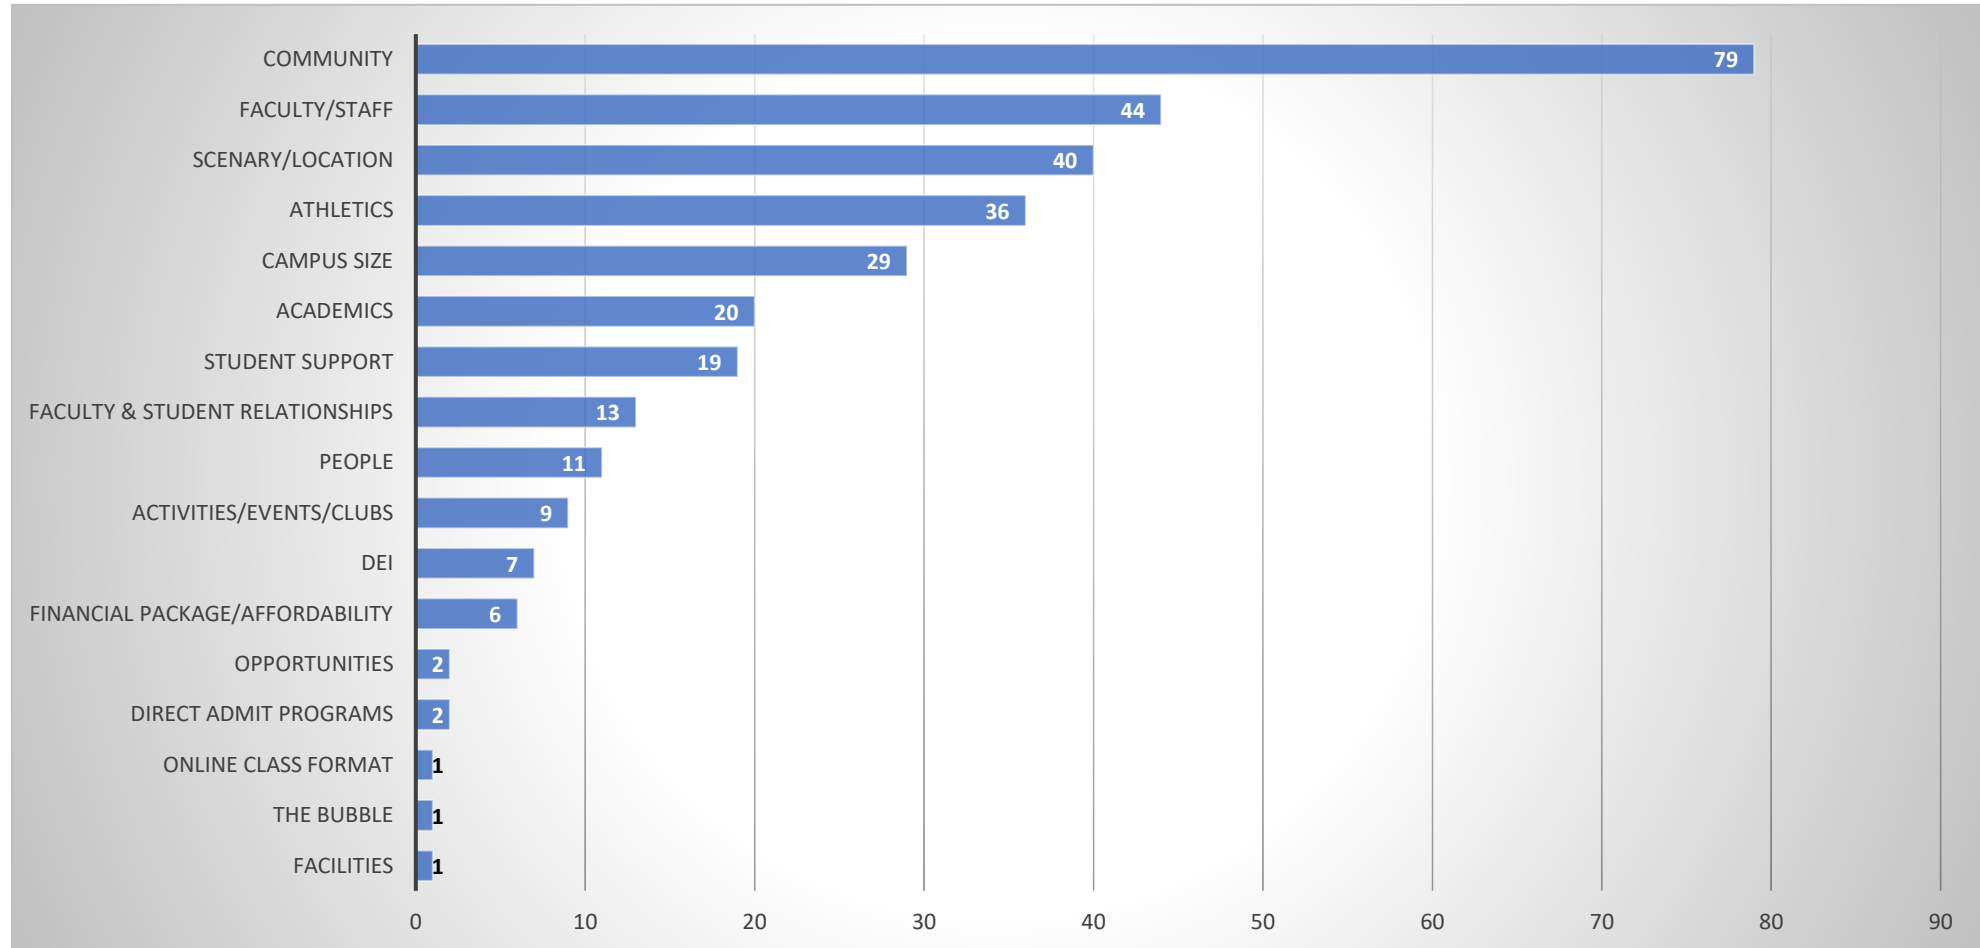

Rindge Student Survey

- “Other” includes:
- Both academics and athletics
 - Gain as many new experiences and life skills as possible to live a more fulfilling life

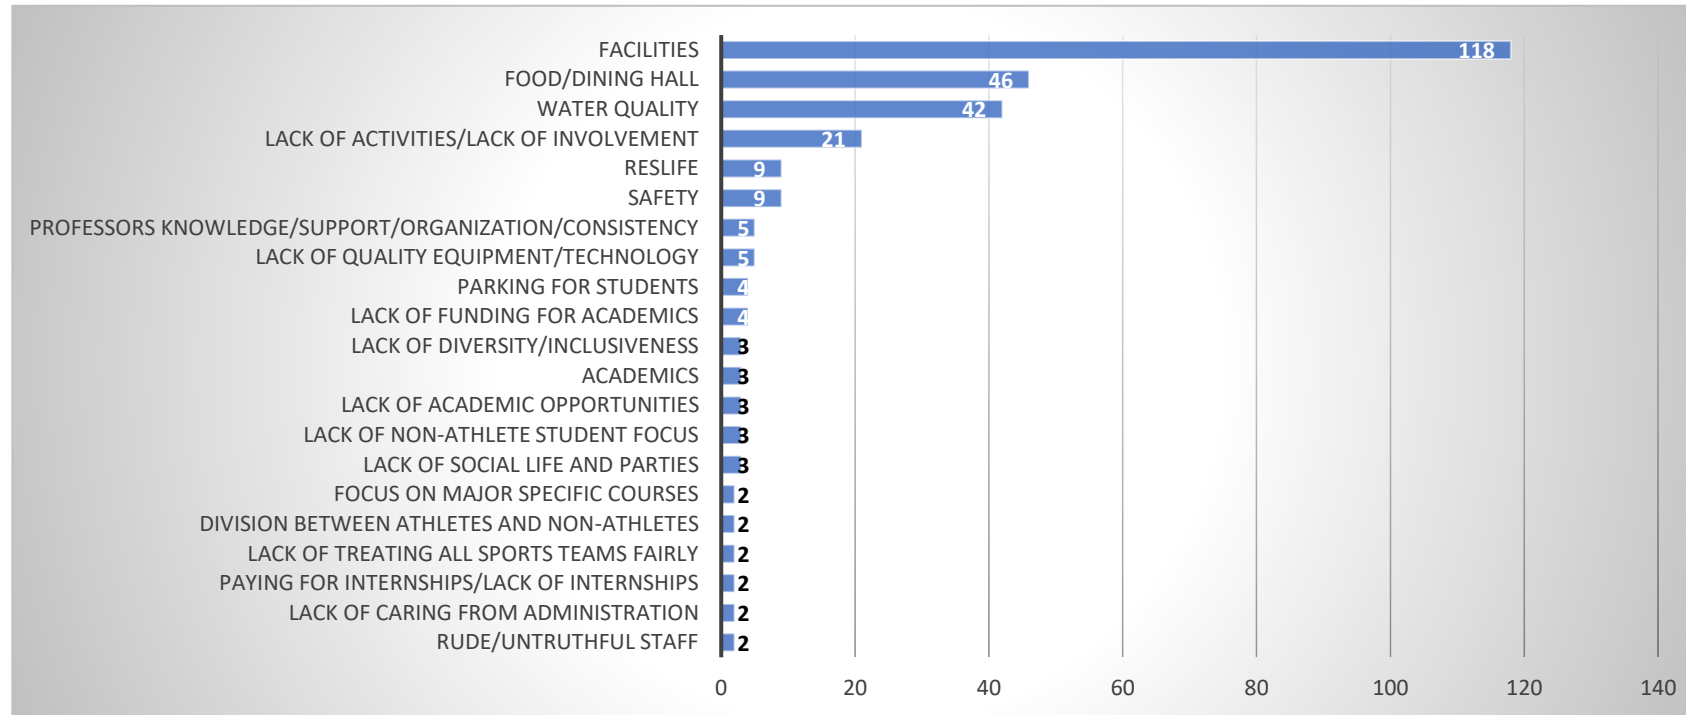

Rindge Student Survey

In just a few words, what is FPU's strongest and best quality, from your perspective as a student?

Rindge Student Survey

In just a few words, what is FPU's greatest weakness/area in need of improvement, from your perspective as a student?

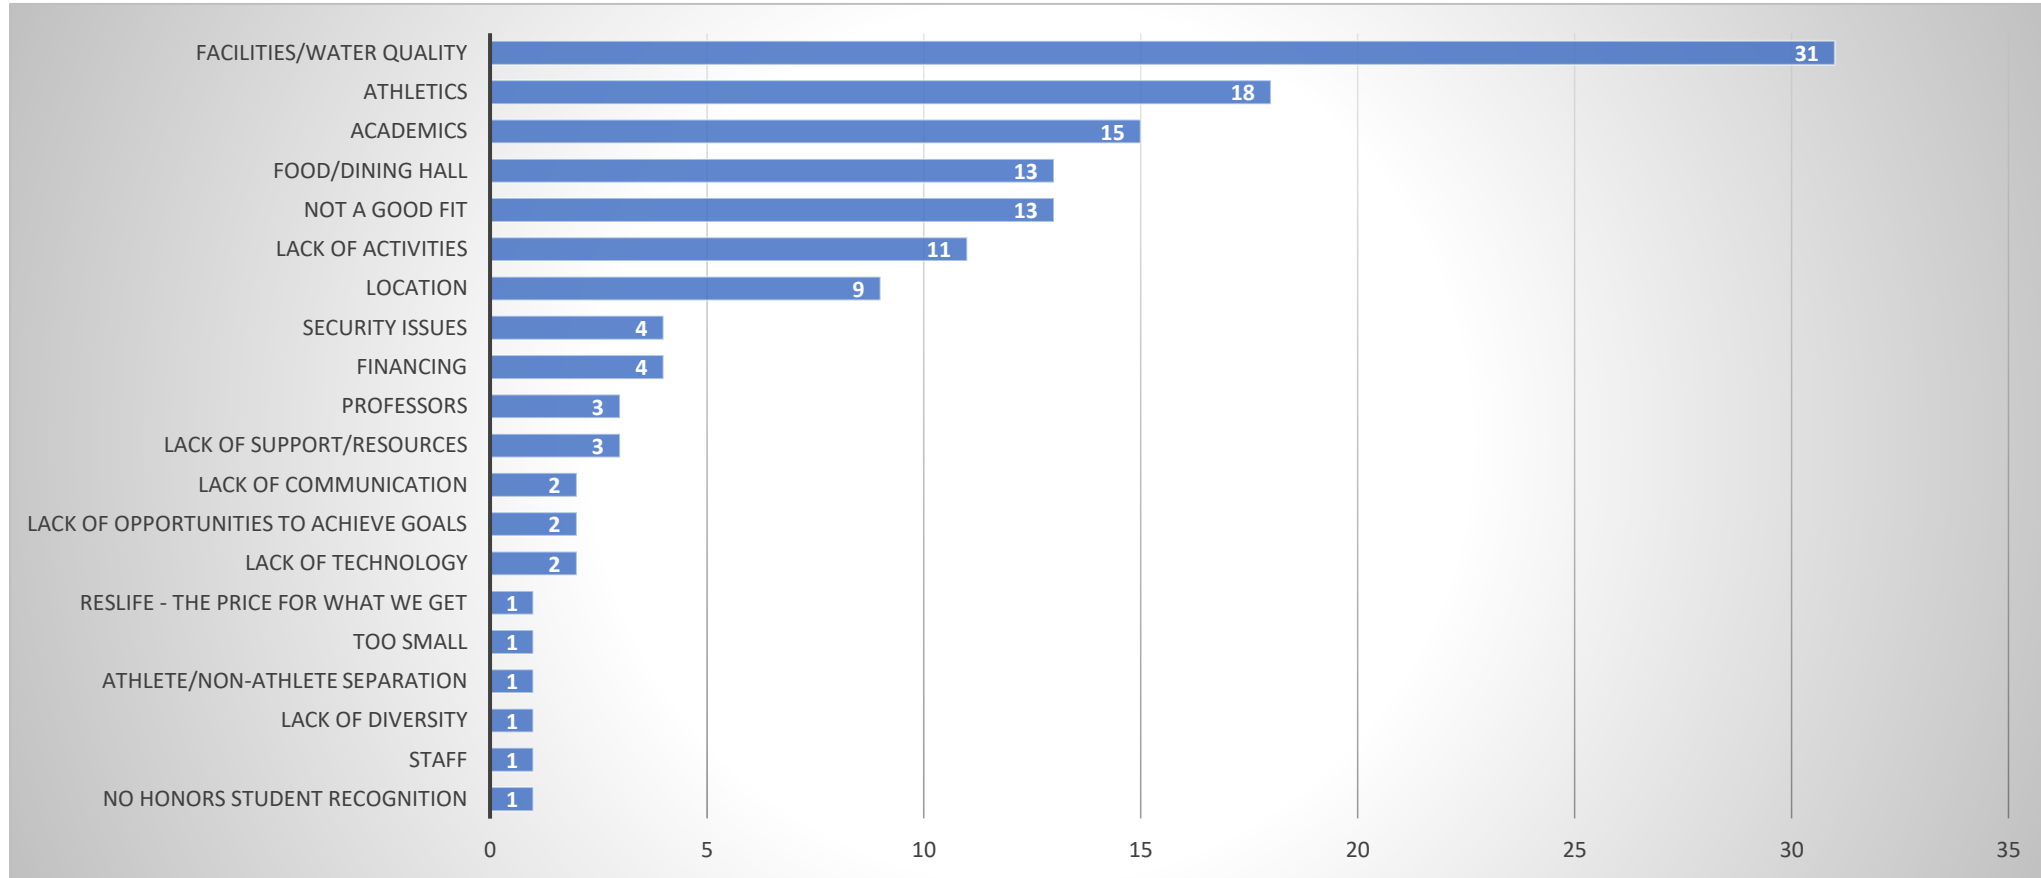

Other areas mentioned by students:

- Weak discipline systems
- Lack of connections/life after graduation
- Poor liberal arts college
- Lack of honors courses
- Athletics and their needs
- Too much drama
- Athletic budget
- Health Services
- Athletic professionalism
- One-way campus
- Retention rate
- Lack of creative outlet
- Lack of study spaces
- Lack of communication

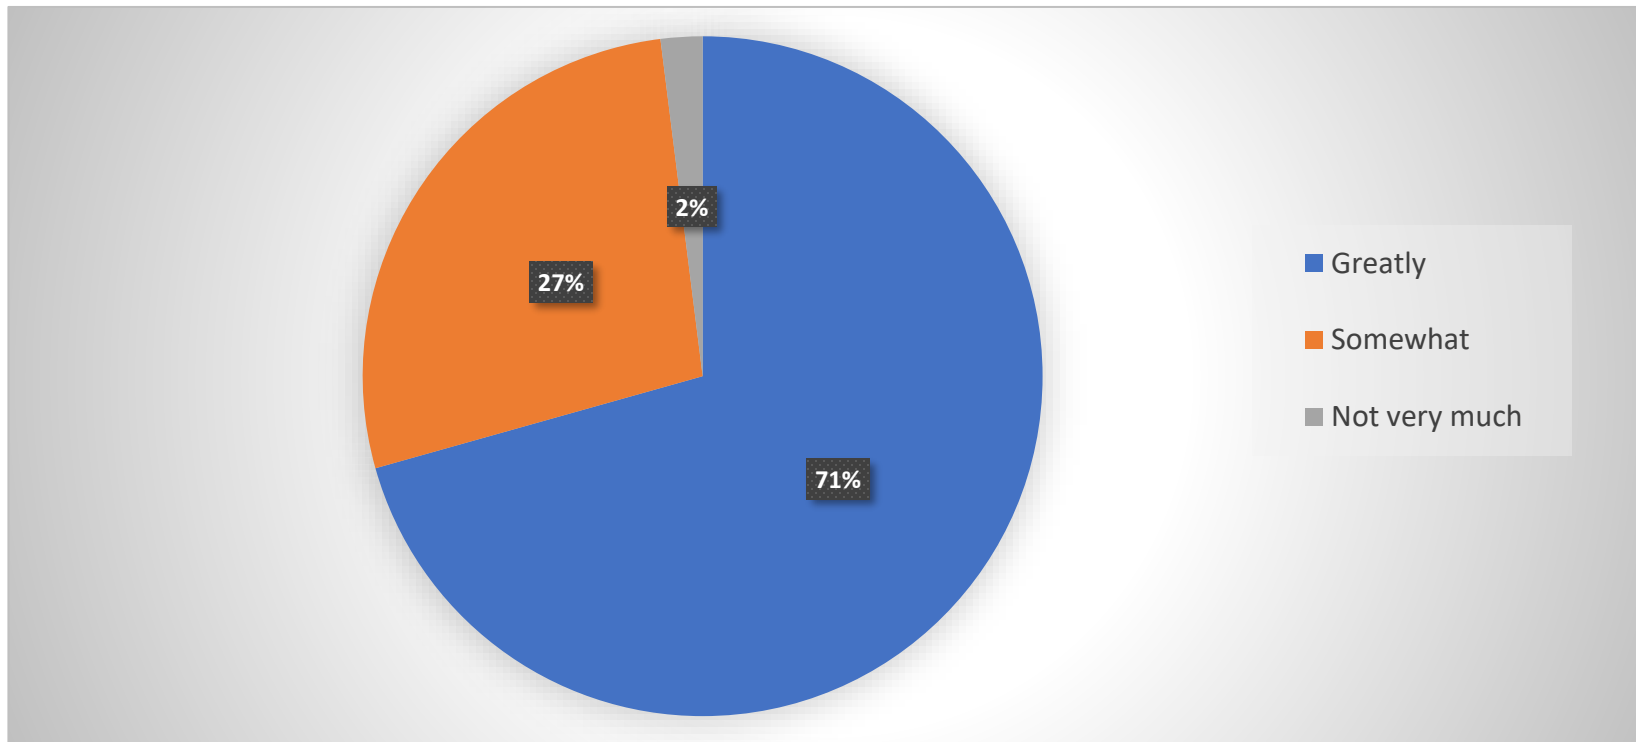

Rindge Student Survey

In just a few words, if you are considering transferring from FPU now, or before you graduate, what is the reason for that?

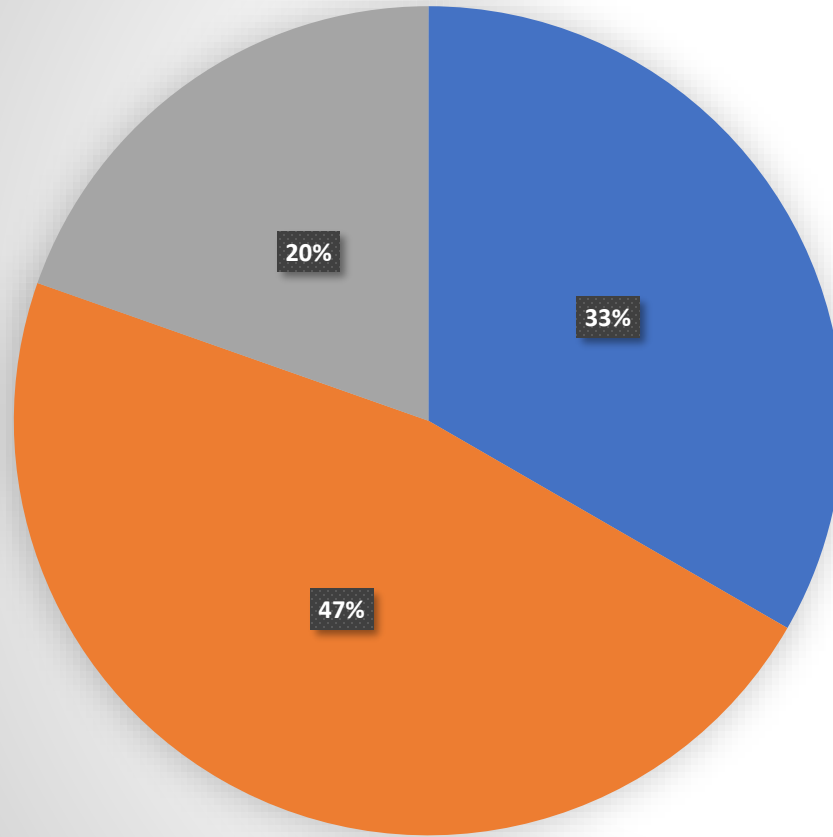

Rindge Student Survey

If FPU enhanced its career readiness and experiential learning opportunities by guaranteeing at least two internships related to your major and career ambition, would this interest you?

Graduate Student Survey

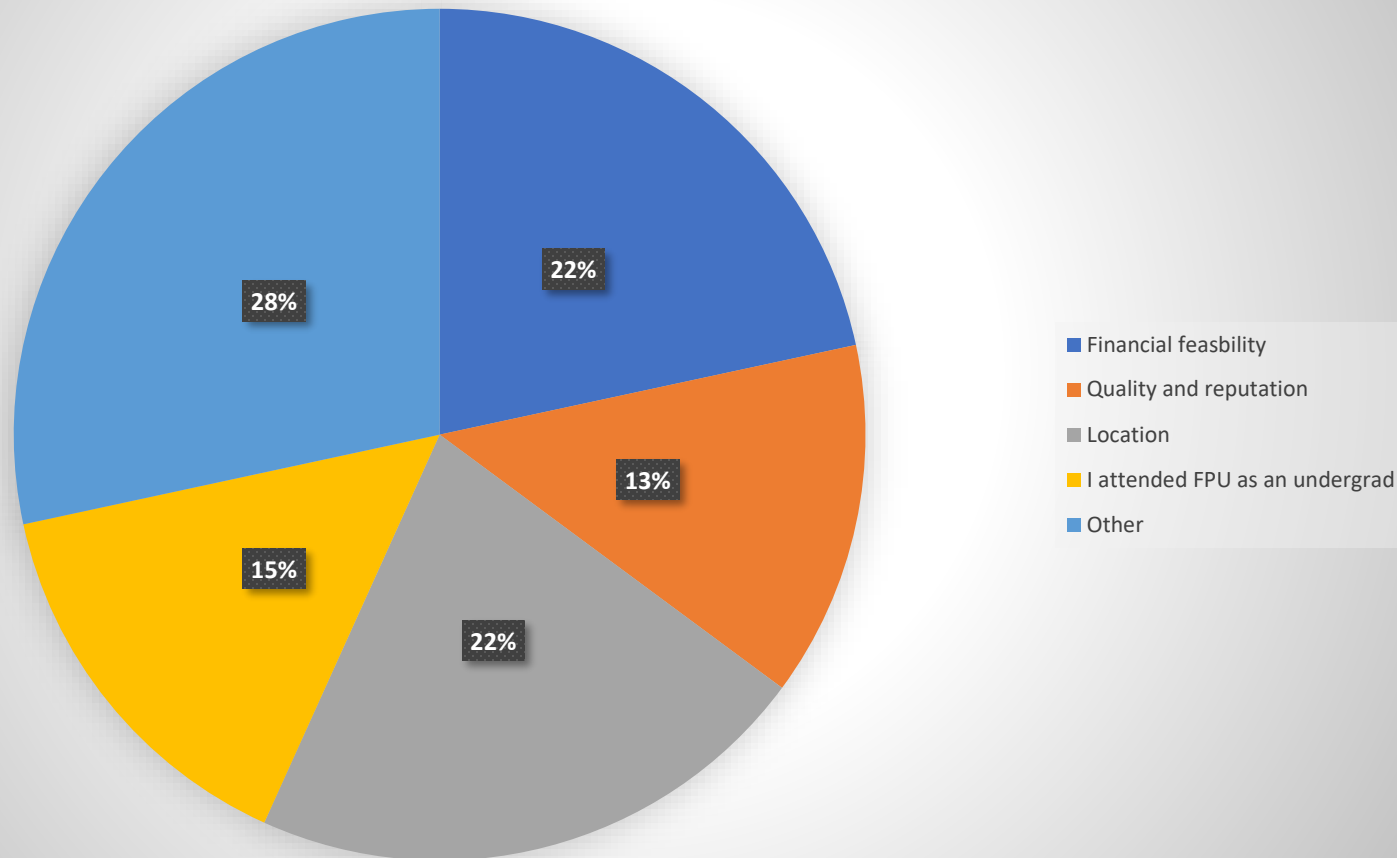

Who Responded?

- I am a graduate student taking classes fully in person.
- I am a graduate student taking classes fully online.
- I am a graduate student who takes classes online and also attends classes in person.

Graduate Student Survey

Reason for Choosing FPU –
students could choose more than one response

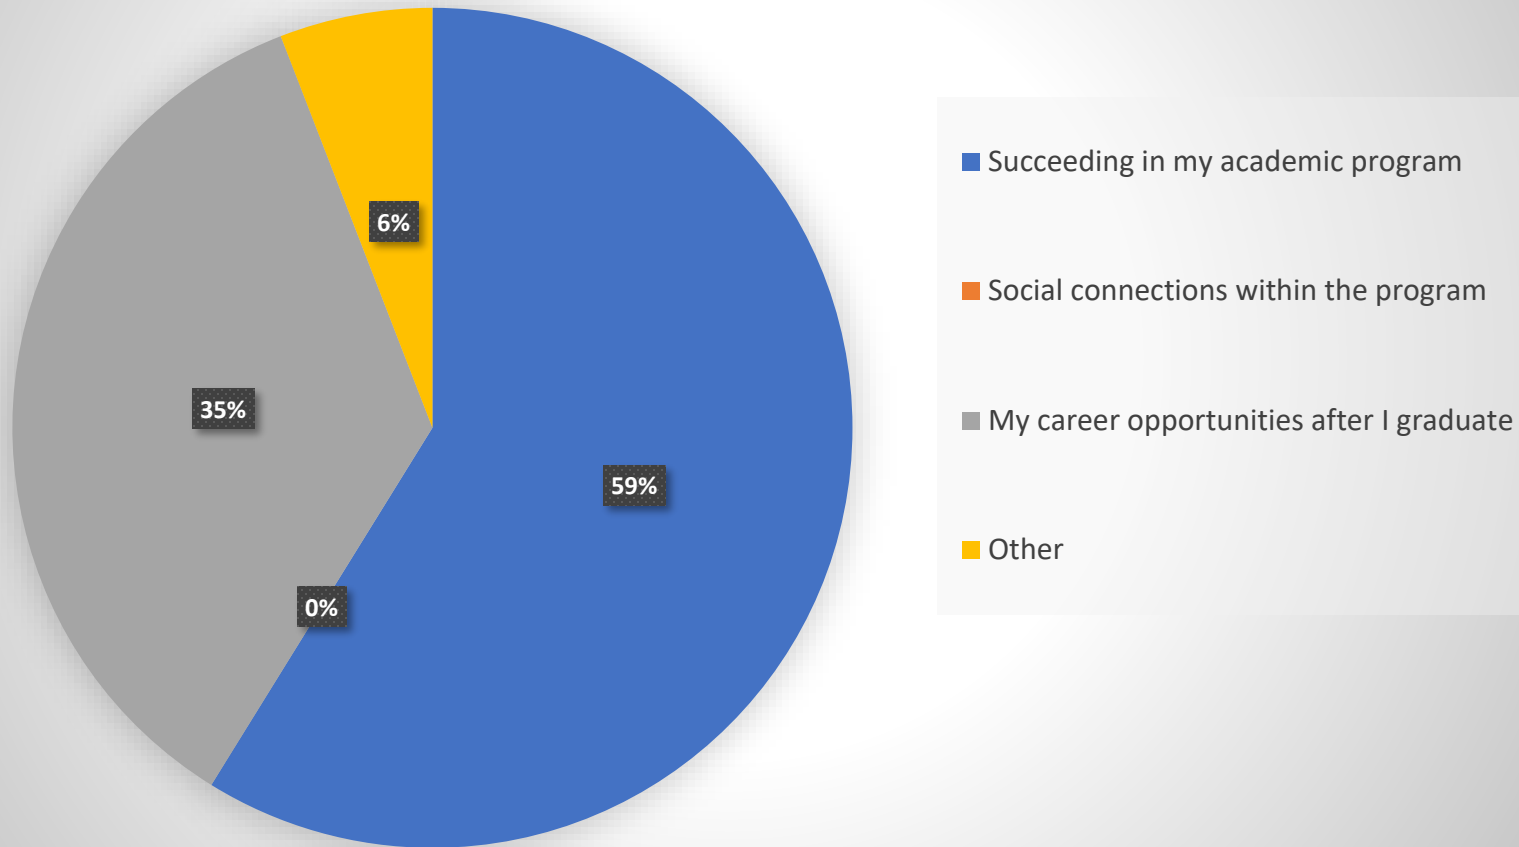

“Other” includes:

- Athletics
- Grad assistant opportunities
- Students from my undergrad are in the program
- Acceptance into program
- Area of study
- Accessibility
- Course offerings
- Approachability of and communication with staff
- Discounts offered
- Good fit

Graduate Student Survey

Primary Focus Area –
students could only choose one response

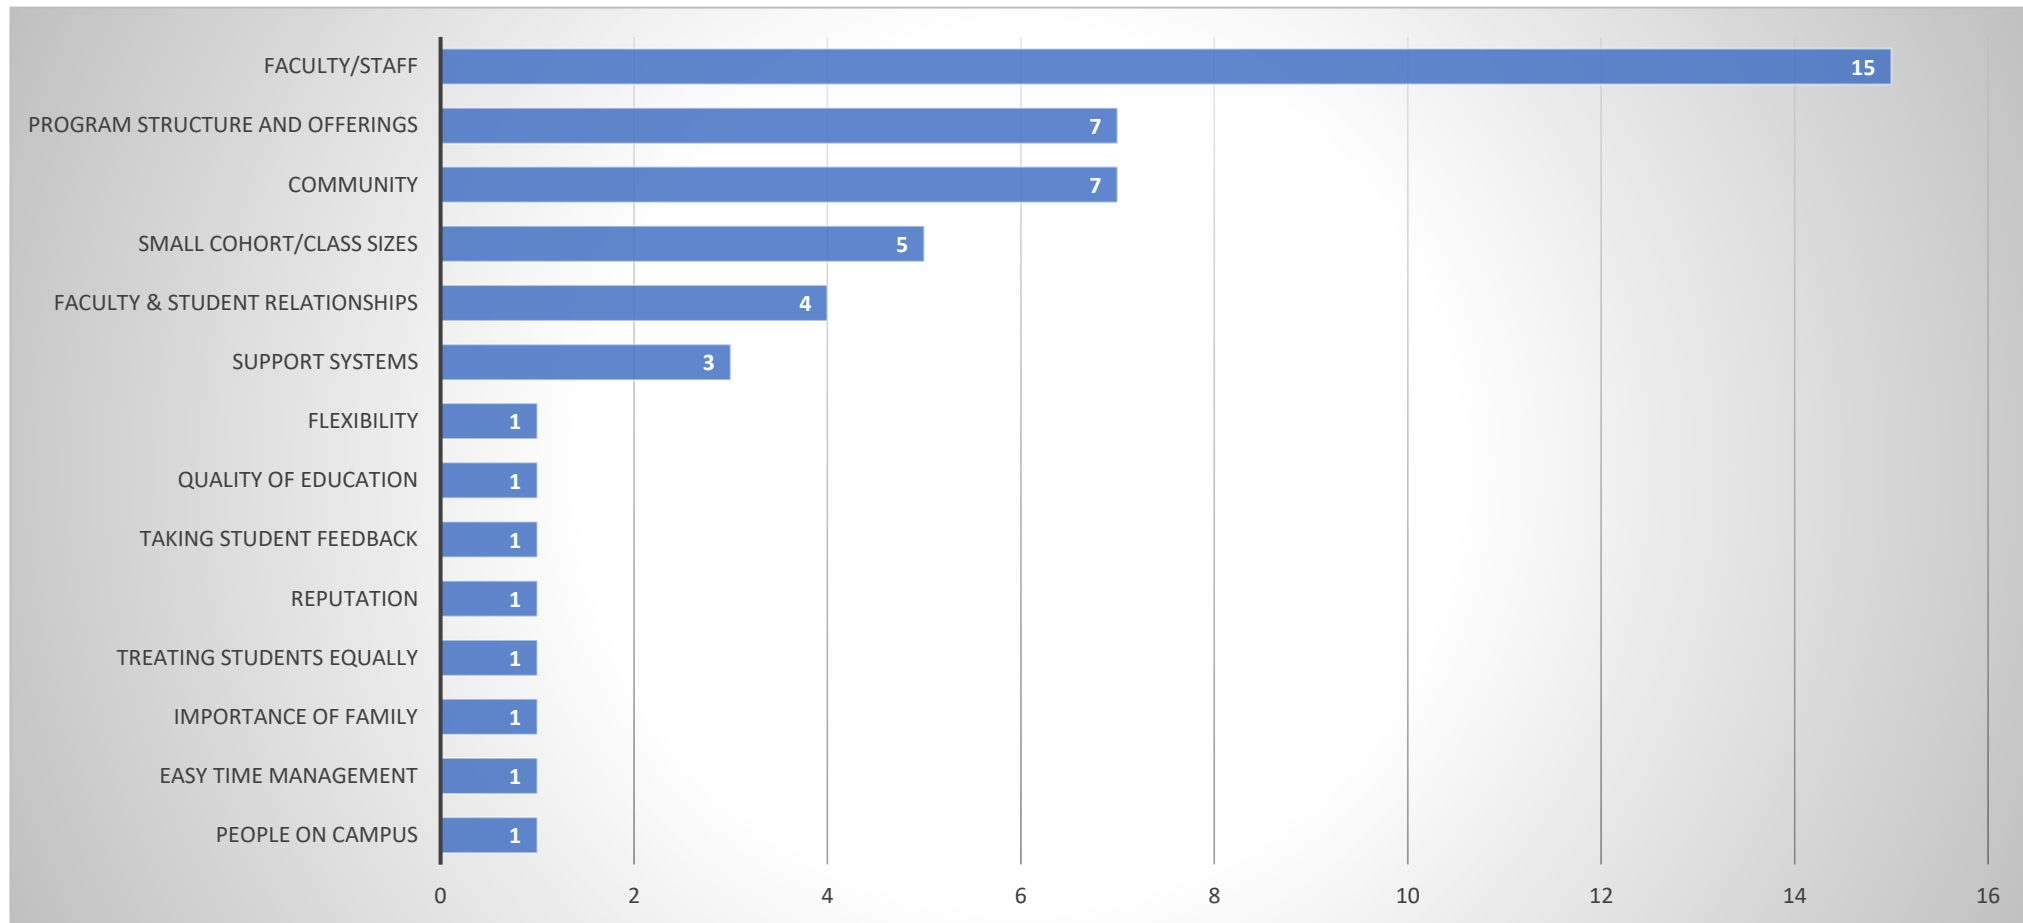

“Other” includes:

- Ability to use the materials taught
- All of the above
- Succeeding in my academic program and career opportunities after I graduate

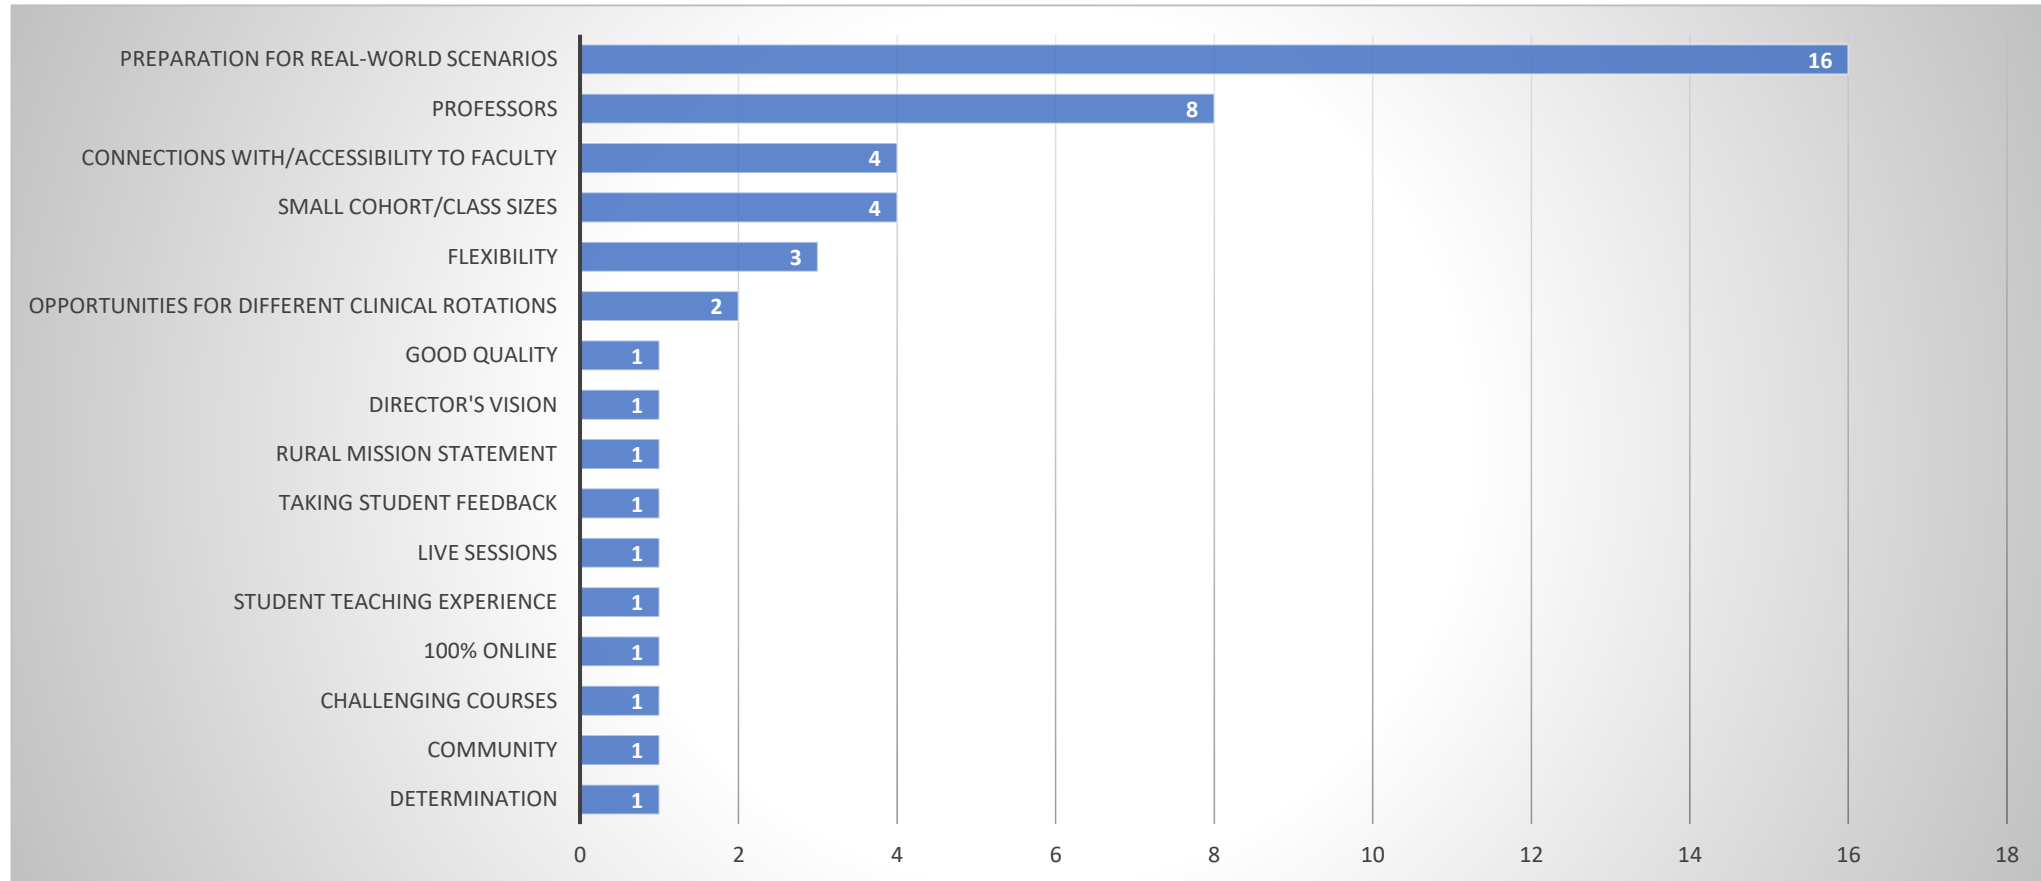

Graduate Student Survey

What is FPU's strongest and best quality from your perspective?

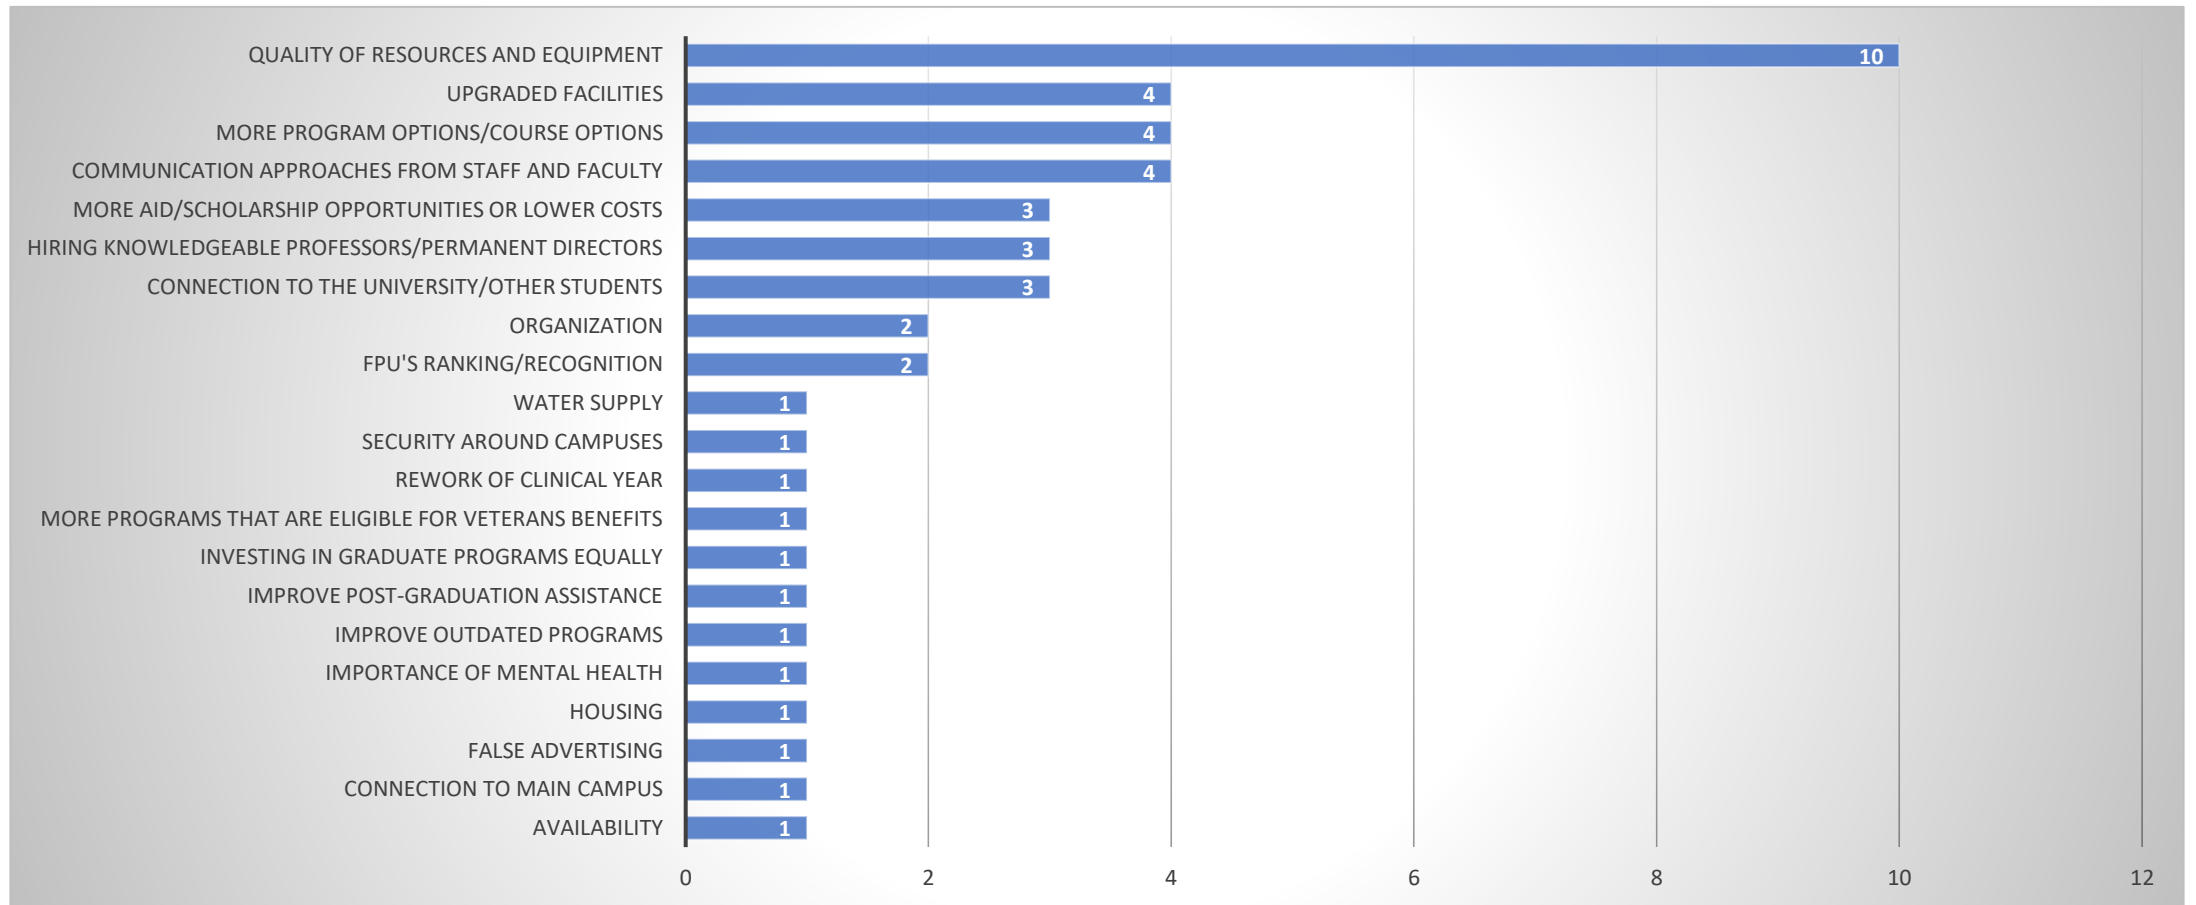

Graduate Student Survey

What is the strongest and best quality of the specific FPU program you are enrolled in?

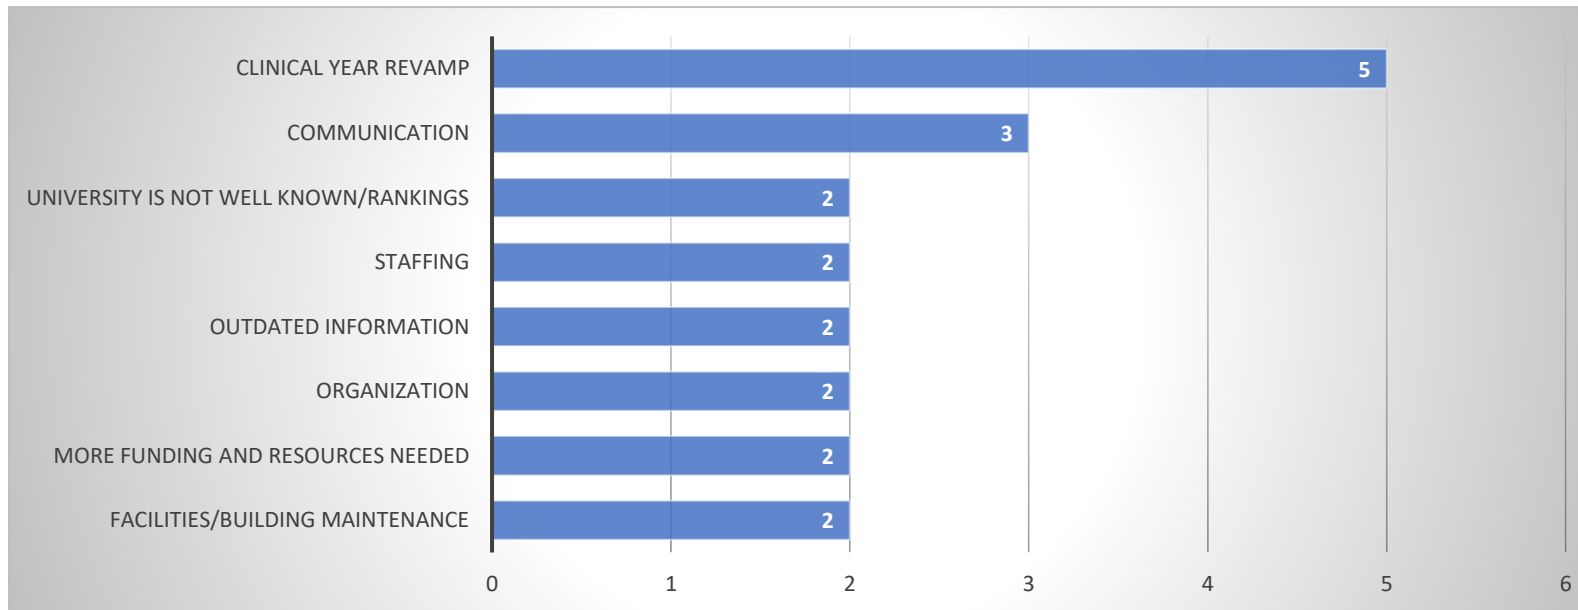

Graduate Student Survey

What is FPU's greatest need for improvement?

Graduate Student Survey

What is the greatest weakness/area in need of improvement in your FPU program?

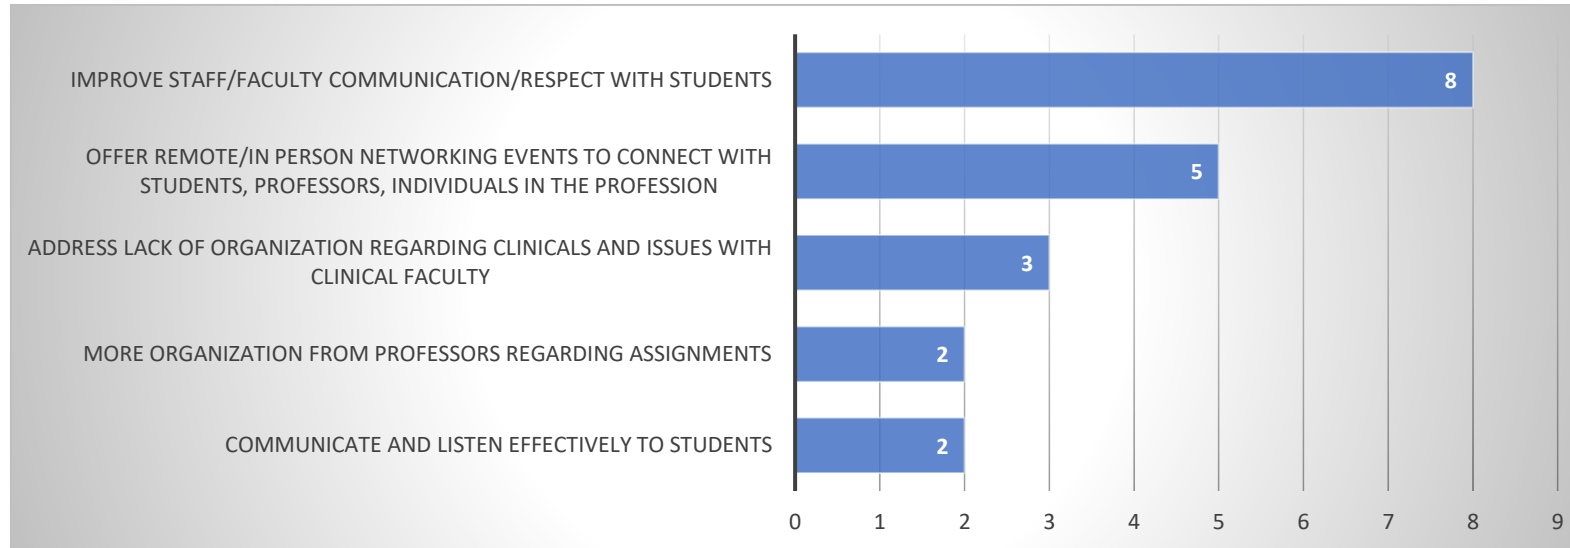

Other areas mentioned by students:

- Unable to prioritize mental health
- Too high expectations from some professors
- Social opportunities
- Professors remaining in line with program vision
- Poor teaching staff
- Not enough feedback provided from professors
- More program specific course offerings
- More elective options
- More advertising
- Lack of variety of MBA programs
- Lack of clarity in assignments/expectations
- Information is the same as undergrad learning
- Inequity between courses within program
- Hybrid option
- Housing
- Disconnection between DPT AZ and DPT NH
- Coordination between classes
- Clarification from administration
- Bullying
- Billing issues
- Better technology needed
- Ability to meet with professors in person

Graduate Student Survey

If you could do one thing to improve your program, and your experience, what would it be?

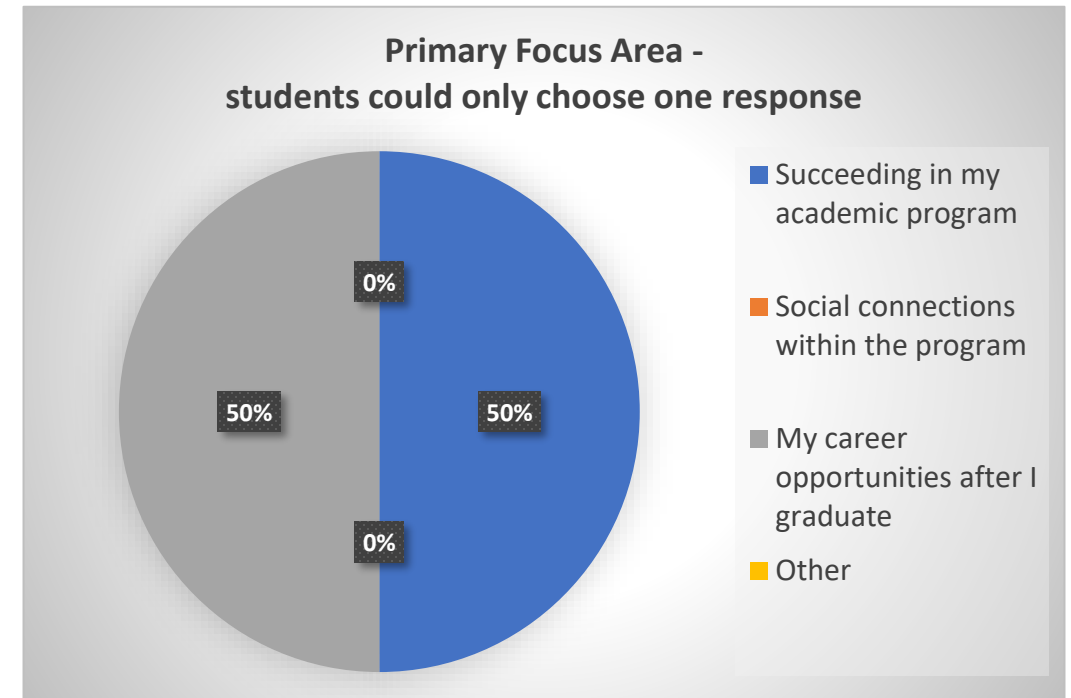

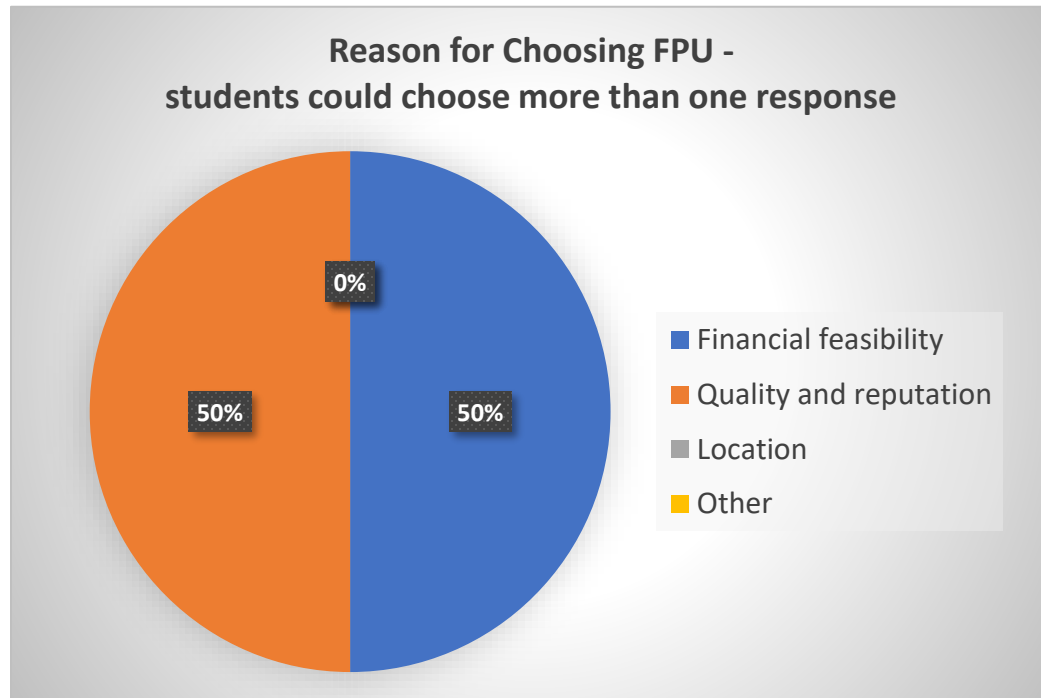

Other areas mentioned by students:

- Add a sim lab
- Bring back volunteer abroad program
- Consistent faculty to prevent misunderstandings and inequality in education
- Discount clinical year tuition
- Ensure professors are aware of burnout; assist students to break the habit of burnout
- Ensure students are getting what they're paying for – top quality doctoral education
- Expand field of study
- Finding teachers who want to teach
- Assist in securing job or connections after graduation
- Increase resources
- Increase student's excitement to come to class
- Increase university rankings
- Introduce faculty from main campus that are directly involved in student's education and experience
- Make housing more accessible for grad students
- Make term 2 books available at the bookstore sooner
- More supportive chairs for lecture halls
- Currently profit first; students later
- Provide more core-focused courses
- Require work experience prior to entering MBA program
- Stop creating new hybrid PA programs before perfecting the one that already exists
- Stronger ties to student/professional associations (ACHE, ACHCA)
- Update online platform

Online Undergraduate Student Survey

Only received two responses.

Online Undergraduate Student Survey

Raw survey data

What is FPU's strongest and best quality from your perspective?

- The desire to stay relevant and progress with the times.
- FPU's strongest and best quality is its dedicated and inspiring educational staff.

What is the strongest and best quality of the specific FPU program you are enrolled in?

- Convenience, asynchronous online classes.
- Two classes in, the strongest quality I have seen so far is the dedicated professors who inspire yet challenge their students.

What is FPU's greatest need for improvement?

- Leadership listening to student complaints and taking action.
- Technology – some of the tools are not easy to use.

What is the greatest weakness/area in need of improvement in your FPU program?

- Lack of a variety of undergrad online degrees.

If you could do one thing to improve your program, and your experience, what would it be?

- More online majors/degrees, and in person evening classes.
