On October 13, 2010 at approximately 8:30 p.m. BRO stormed the dorms. 3 members (2 have been confirmed) of BRO entered the Annex and gave the Annex worker a Rage in the Cage flyer. She reciprocated by handing them a flyer for the annex. When the BRO members left the Annex it has been said by the accuser that one of them threw the flyer on the ground and said by the BRO member that they simply placed it there. The Annex worker told the BRO members she was going to call Bill Beardslee and tell him about this incident. According to the accuser the BRO members then called her an explicative and walked away. After the incident was reported the BRO members were contacted by Bill Beardslee the permanent club advisor and asked to please respond to him on the matter in a timely fashion, they did not contact ghim but the time allotted but did personally apologize for missing the contact deadline. They are now going to appeal the discion of the club review committee to retract the executive board positions from the two members being accused.
