IV. Officer/Committee Reports

- a. President/Policy Chair Joseph Ferris- Wont be at policy committee but will be going to capital improvements. Met with Birge asked him some more questions, he says it is up to students to resolve segregation between students and student athletes, he was pleased with the outcome of the deliberative dialogue. Talked about vandalism, the money aspect seems to be the biggest issue.
- b. Capital Improvements Chair- bus to keene need some re vamping. Maybe a raffle for gift card for the first couple weeks after break to get people interested. Ian Mcginnes has resigned as VP
- c. Vice President of the Club Senate/ Club Review Co-Chair Nicholas Kostich & Secretary of the Club Senate/ Club Review Co-Chair Marzell Barker- Club review time! Safe rides log box! Senators, communicate with your secretaries please!
- d. Treasurer/Appropriations Chair Megan Landry- 10 budgets for committee next budgets are feb.9 and march 9

V. New Business

- a. Speaker: Dawn Stevenson institutional research wants help from the students to get the information from surveys out to the students. Went over a power point full of stats some were alarming (how much we party here compared to doing work) Mini polls that would be fun, or not, to get students interested and quick opinions on things. Looking for a research advisory council, two year position, discuss further with joe.
- b. Speaker: Stuart Mitchell- Jim Earle intro- discussion of the dangers of four loco and other dangerous substances on campus, looking to hear what the students want to do about it. Education is the best way to get the info out there rather than a ban. A band will cause students to rebel, if students are the ones telling other students that it's a bad idea they are more likely to listen. The SGA needs to be the voice to promote health and safety among our peers on campus.
- c. Approval of revised senator petition- Approved 37-0-0
