Best Buy HMO – LP

NEW HAMPSHIRE

Coverage under this Plan is under the jurisdiction of the New Hampshire Insurance Commissioner.

IMPORTANT INFORMATION: This policy reflects the known requirements for compliance under The Affordable Care Act as passed on March 23, 2010. As additional guidance is forthcoming from the U.S. Department of Health and Human Services, and the New Hampshire Insurance Department, those changes will be incorporated into your health insurance policy.

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details.. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Clinical Review Criteria

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria on our website at www.harvardpilgrim.org or by calling 1-888-888-4742 ext. 38723.

Outpatient Surgery, Laboratory and Scopic Procedures – Outpatient Diagnostic and Therapeutic Services

HPHC-NE has designated certain outpatient surgical centers, laboratory and scopic procedure facilities as Select LP Providers. These providers were chosen based on their cost efficiency and render the same quality of service at a lower cost than other providers in the network. When you receive services from a Select LP Provider, your Member out-of-pocket costs will be less than if you received the same service from providers that are not Select LP Providers. The tables set forth below list the Member Cost Sharing for each type of Select LP Provider.

The Plan's Provider Directory lists all Plan Providers including those providers that are Select LP Providers. You can access the Provider Directory at www.harvardpilgrim.org. You may also obtain a paper copy of the directory, free of charge by calling the Member Services Department at 1-888-333-4742.

HPHC-NE establishes its list of Select LP Providers in January of each year. HPHC-NE will not remove providers from its Select LP Provider List during January through the following December of each year. HPHC-NE may also add Select LP Providers to its list any time during the year.

Copayment Levels

There are two types of office visit Copayments that apply to your Plan: a lower Copayment, known as "Level 1" and a higher Copayment known as "Level 2."

EFFECTIVE DATE: 01/01/2019

FORM #1574_07

SCHEDULE OF BENEFITS | 1

Level 1 applies to covered outpatient professional services from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified midwives; and nurse practitioners.

Level 2 applies to most outpatient specialty care.

If a provider is categorized as both a Level 1 provider and a Level 2 provider, Level 1 applies. For example, if a provider is both a PCP and a cardiologist, you will be responsible for a Level 1 Copayment.

Your Plan may have other Copayment amounts. Please see the benefit table below for specific Copayment requirements.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a doctor's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery – Outpatient."
