

## Home & Auto Insurance

Protecting your home and car is just as important as protecting yourself and loved ones. As a part of your Franklin Pierce University benefits package, you are eligible to receive exclusive savings on auto and home insurance to safeguard these valuable investments.

All benefit eligible employees are already eligible to save 10% and if you sign-up to pay your bill through payroll deductions, you can save an additional 7.5%!

***This means that you can save a total of 17.5% off of your annual premiums!***

### Take advantage now!

#### Payroll Deduction Savings

Take advantage of the payroll deduction option so you can receive the additional 7.5% discount that is not available to the general public.

#### Why should I consider payroll deduction?

You can conveniently pay your premiums through evenly distributed payroll deductions. With this payment option, a down payment is not required and there are no service fees.

Premiums are deducted from your bi-weekly or monthly paycheck and remitted directly to Liberty Mutual, so you never have to worry about paying your insurance bill.
