INTERNSHIP LEARNING CONTRACT

Goals and Learning Objectives: (The following set of goals and learning objectives developed by the student, site supervisor, and faculty advisor will be used as guidelines for determining whether the requirements of the internship have been met and grade assignment)

Outline of Course Requirements: The faculty advisor will monitor the progress of the student throughout the internship, act as a resource and is responsible for accumulating and evaluating the material provided by the student and employer. Upon completion of the internship, the advisor will assign a grade based on the quality of the following **required student submissions:**

1. The student Internship Evaluation Form filled out and signed by the Site Supervisor at the end of the internship.
2. A daily reflection log/journal tying internship activities with knowledge and experience gained in the classroom.
3. A summary paper on one significant aspect of the internship experience (with any additional requirements listed below).

Additional explanatory or more detailed information relating to the above requirements (if needed): _____

Outline of Employment Responsibilities: The employer/site supervisor will be responsible for utilizing the student to his/her fullest capacity, to assign challenging tasks whenever possible, and to allow the student the maximum opportunity to grow through the use of skills acquired and the exercise of judgment in making decisions. The site supervisor will evaluate the performance of the student throughout the internship, meet regularly with the student for progress reports, consult with the faculty advisor if problems arise and, at the end of the internship, complete the Internship Evaluation form provided by the University.
